DESCRIPTION OF RESEARCH PROJECT

The description should indicate what theme and what particular issues will be worked on at the Frankfurt LAB, **max. 2000 characters**. Should it be necessary for presenting the research project, an additional PDF of a project description (max. 2 pages) may be entered.

MOTIVATION

- At what stage is the project currently? What is planned? Why would a residency in the Frankfurt LAB be meaningful for the given project?

- At what stage are the artists, both individually and in their collaboration? Why would a residency in the Frankfurt LAB be important for the artistic development at this point in time? **max. 2000**
